PRESS RELEASE
KNOG HEAD QUARTERS
THE KNOG MILKMAN COMBO

COMPACT, COMBO'D AND ROAD RIDER READY.

The **Milkman Combo** is a retractable, keyless, steel cable lock that'll loop around your bike frame and any bolted-down fat-ass post, locking simply and swiftly but compact enough to fit in your back pocket. Best used for café convenience.

Just as pocketable as the original Milkman, but without the key.

Still got the 900mm-long cable.
And the overmolded polycarbonate housing.
And stainless steel locking pin.
Still only 132g.
Still fits in your back pocket.
Still in 4 super smooth colours.
But now we've lost the key, and found 10,000 unique lock combinations.

Which begs the question:

What's your Combo?

TECHNICAL SPECIFICATIONS:

- Rotating dial lock barrel, with 10,000 unique combinations.
- 900mm retractable steel cable with translucent PVC outer. Crimped to 6.5mm stainless steel locking pin.
- Weighs 132 grams
- Size: 75 x 75 x 20 mm (slips easily in to your pocket)
- Braided steel cable. Zinc die-cast latch with polycarbonate casing
- Body: Injection-moulded polycarbonate
- Colour Range: Black, Indigo, Red, White.
