PRESS RELEASE
KNOG HEAD QUARTERS
KNOG STRAIGHT JACKET
FATTY & SKINNY CHAIN-LOCK

NERVES OF STEEL. BRIGHT. BEST MEDICINE AGAINST PSYCHOS.
KEEPS YOU OUT OF TROUBLE.

Two hard and mentally secure steel shackle padlocks, geared to resist a psycho with bolt cutters, but easy on your bike, the Straight Jacket Fatty and Skinny.

The Knog Straight Jacket combines an 800mm hardened steel chain and an 8mm (Fatty) or 6.33mm (Skinny) steel shackle padlock with a brass body, all covered with a tough nylon cover.

The two-coloured nylon cover of the Straight Jacket not only looks wild but is also geared to take plenty of wear and tear – and importantly – prevent chain or shackle attacks to your bike.

Our steel Straight Jackets weigh 1.4 kg (Fatty) and 850gm (Skinny) and can be administered by anyone. With 3 keys included and 1000 unique key combinations, these high and medium to high-security Knog chain locks are affordable, strong and hard wearing.

The Knog Straight Jacket Fatty and Skinny come in three colour combinations: bright green & black, hot pink & black and black & white.

Expect them to retail around USD\$24 for the Skinny and USD\$32 for the Fatty.
